

Audio Lectures available for download

Written by Visti Larsen

Monday, 05 December 2011 11:46 - Last Updated Monday, 05 December 2011 11:51

Upon popular request the entire gamut of audio lectures are now available for download on the website.

The files have been compiled into two separate files of English and Danish lectures respectively and can be downloaded separately.

The files are quite large and a small fee has been suggested for the download of the same. Hope you enjoy the recordings!
